

## Happy New Year!

The holiday season may have come to an end as we reach the middle of January, but the New Year has just begun! We hope that you enjoyed the remainder of 2020 and we are so excited to see what 2021 will bring to your organization and community.

## Adoptions Rise Due to Pandemic

Throughout the difficult times of 2020, many were able to make time to care for new companionship. Read more about how this affected shelters and pet stores across the country.

## Victories in 2021

At the end of December, the Final Congressional Budget was passed resulting in new protections for animals, as well as policy provisions for people and animals.
